Modern Slavery and Human Trafficking Statement in Observance of the Modern Slavery Act 2015

Introduction

Gravit8 Software is a leading UK-based Company delivering the best innovative event technology solutions coupled with exceptional customer service.

Our supply chains, corporate and working environments are managed in accordance with our ISO 9001, 14001 and 20121 accreditations.

Company Mission

To become the supplier of choice for leading event agencies and organisers. We will achieve our mission by;

- Maintaining and building our reputation for bringing new and innovative products to the market
- Driving Sales growth in all departments through determined, focussed, strategic pursuit of new and existing sales.
- Becoming the most productive and efficient Events Company benefiting our customers and improving our profitability
- Preparing the business for growth by embedding best practice in all areas to enable scalability on demand
- Investing in our employees so each individual grows and develops in their role to do their job to the best of their ability

Our Policies on Modern Slavery

Gravit8 Software is opposed to all forms of slavery and forced labour and has policies in place designed to mitigate any risks within our practices or supply chain including potential supplier risk assessments, Corporate Social Responsibility, Environmental and Legal Compliance policies.

Due Diligence

The company takes its responsibilities very seriously and we continue to strive to provide employment free from any form of discrimination and modern slavery

Gravit8 Software will not work with any organisation it finds to be knowingly involved with human trafficking or slavery. We encourage everyone, including employees, contractors and suppliers to report in good faith any issues or concerns regarding human trafficking or slavery
